

2007 Gem State Disc Golfers League Night Plan

PLEASE NOTE: All formats are *tentative* and are always subject to change based upon number of players, wind direction, moodiness, bowel movements, zodiac, bitter beer face, or any other random whims of the league director. This page is also subject to change during the course of the year so check back frequently. Remember - be signed up to play **BEFORE 5:50pm** or else you may be left out! **You have been forewarned.....**

PLEASE NOTE: There are some formats that are totally dependent on an exact number of players. If the league director determines that the ideal conditions have been met to play those formats; especially DORK & Red Roc, he **will** substitute any one of these formats in place of the scheduled event, as is his prerogative (see disclaimer above).

Other possible formats: Odd/Even Alternate Shot, DORK, Red Roc, Best Disc, Worse Disc, Eclectic, Replay, Florida Scramble, Mulligan Stew, Blind Draw, Idaho Best Disc, or anything else I can dream up.
